PERSONAL BACKGROUND

I am currently in my final year of academic studies towards a bachelor of science degree in management information systems at the University College of Dublin.
I love to develop and design products that are making the day to day life much easier for humans. I am a Developer, Designer, and DevOps & open-source enthusiast.

Also, I am a good Team Worker, Fast Learner and I can adapt to any working environment.

AVISHKA SOORIYAPPERUMA

DevOps Enthusiast | Developer | Designer

VOLUNTEER & WORK EXPERIENCE
